AMENDMENT AFTER ALLOWANCE PURSUANT TO 37 CFR §1.312(a)

BOX AF
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant requests amendment of the subject application after allowance under §1.312 (a).

IN THE SPECIFICATION:

✓ On page 20, line 22, replace "called" with --calling--.

REMARKS

The above amendment to the specification corrects an inadvertent and obvious error in the specification. The same amendment was requested and entered in parent application serial no. 08/306,751. A copy of the communication from the parent application is enclosed for the Examiner's convenience (Exhibit A).

CERTIFICATE OF MAILING UNDER 37 CFR 1.8

I hereby certify that this document (along with any referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as First Class mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C., 20231.

February 11, 1999

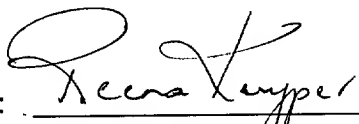

Date

Reena Kuyper, Registration No. 33,830

In addition, a communication from the Examiner indicates that the Supplemental Information Disclosure submitted on November 10, 1998 (received at the U.S. Patent and Trademark Office on November 16, 1998) fails to comply with 37 C.F.R. 1.97(d) because it lacks a petition fee and certification. It should be noted that the art cited and related papers were submitted concurrently in Applicant's various pending applications simply in the interest of making the art of record, as it was brought to Applicant's attention as a result of litigation of certain of Applicant's patents. The art cited is not more material than that already considered by the Examiner. Accordingly, Applicant asks only that the art be placed in the file for future access.

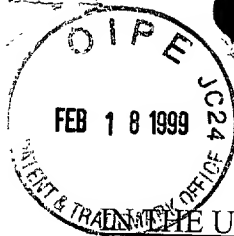

Respectfully submitted,

LYON & LYON LLP

THIRD SUPPLEMENTAL AMENDMENT

707 Wilshire Blvd., 32nd Floor
Los Angeles, CA 90017
April 28, 1997

Assistant Commissioner
for Patents
Washington, D. C. 20231

Sir:

Further to the supplemental amendment submitted by Applicant on November 20, 1996, please further amend the subject application as follows:

IN THE SPECIFICATION:

On page 20, line 22, replace "called" with --calling--.

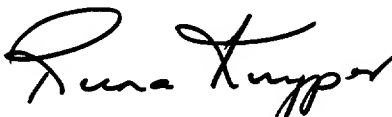

R E M A R K S

On reviewing the specification, Applicant noted an inadvertent obvious error at page 20, which indicates that the "called" instead of the --calling-- number is either on a positive list or not on a negative list. In the context of the

remaining and following paragraphs, the error is clearly obvious. Accordingly, Applicant is amending the specification to correct this obvious error.

Respectfully submitted,
